

Annual Report of Community Benefits

Baylor Scott & White

HEALTH

Baylor Scott & White Medical Center - Centennial

12505 Lebanon Road, Frisco, TX 75035

Taxpayer ID # 82-4052186

For the Fiscal Year Ended June 30, 2021

OUR Mission:

Baylor Scott & White Medical Center - Centennial, an affiliated hospital of Baylor Scott & White Health System (BSWHS), is committed to fulfilling its mission: *“founded as a Christian ministry of healing, Baylor Scott & White Health promotes the well-being of all individuals, families and communities.”*

OUR Community:

For the 2019 Community Health Needs Assessment (CHNA), the hospital has defined their community to be the geographical area of Collin, Dallas, and Denton counties. The community served was determined based on the counties that make up at least 75 percent of each hospital’s inpatient and outpatient admissions.

OUR Community Health Needs:

The complete 2019 Community Health Needs Assessment (CHNA) and Implementation Strategy can be found at [BSWHealth.com/CommunityNeeds](https://www.bswhealth.com/CommunityNeeds). This assessment is a compilation of public and hospital data and input gleaned from stakeholders representing the broad interests of the community. The following health concerns are identified in priority order based on the results of the CHNA.

Priority	Need	Category of Need
1	Schizophrenia and Other Psychotic Disorders in Medicare Population	Mental Health
2	Depression in Medicare Population	Mental Health
3	Motor Vehicle Driving Deaths with Alcohol Involvement	Health Behaviors - Substance Abuse
4	Ratio of Population to One Non-Physician Primary Care Provider	Access to Care
5	Cancer Incidence – Female Breast	Cancer

OUR Community Benefit:

FY21 Total \$19,229,262

Charity Care \$ 4,557,000

Unreimbursed expenses associated with providing medical care for the indigent, uninsured, and underinsured through Medicaid and other government, state, or local health care programs.

Government Sponsored Programs \$ 13,884,287

Unreimbursed expenses associated with providing medical care to the beneficiaries of Medicare and other federal, state or local government health care programs.

Community Health Improvement \$ 532,480

The programs and services that extend beyond patient care activities and include services directed to both individuals and larger populations in the community. These services include such things as educational information about preventive health care and treatment for specific diseases, informational health lectures to help understand various conditions and diseases as well as available treatment options, opportunities that promote healthy activity and wellness initiatives, health fairs and screenings, and support groups.

Health Professions Education \$ 13,456

Baylor Scott & White provides opportunities to health professionals for furthering their education and training. This includes clinical education and supervision for clinical rotations for medical students, nursing students, and other health care professions. Opportunities include but are not limited to Baylor Scott & White employees.

Subsidized Health Services \$ 151,855

Clinical programs that are provided despite a financial loss because it meets an identified community need and if no longer offered, it would either be unavailable in the area or fall to the responsibility of government or another not-for-profit organization to provide. (Examples include: outpatient/outreach palliative care services, ECI or translation services, injury prevention/trauma)

Financial and In-Kind Donations \$ 80,617

Baylor Scott & White provides community benefit program grants and support to local non-profit organizations through dedicated community benefit funds as well as donations of staff time, medical supplies, or equipment.

Other Community Benefits \$ 9,567

Baylor Scott & White provides other services with the goal of improving the overall health of the community including ongoing assessment of community health needs and evaluation of community health programs and services.
