Dear parent/guardian of applicant,

We are excited that your student is interested in participating in McLane Children’s Health Sciences Summer Camp.

This is a great opportunity for students considering a career in health sciences to get a “behind the scenes” look at pediatric healthcare. Students accepted to the camp will participate in a variety of classroom simulations, learning specific introductory competencies for a variety of healthcare career fields. Students will also be assigned to a unit or clinic where they will shadow a healthcare professional, seeing healthcare applied first hand. Our program has two possible sessions. Each session is 5 days in length, starting promptly at 9:00am and ending at 4:00pm. Students in the camp are expected to complete all 5 days. This packet includes the following:

- **Health Sciences Summer Camp Application**
- **Reference Forms (x2)**
  - Your student is required to get 2 references – these references cannot be parents. They should be teachers, coaches, youth group leaders, etc.
- **Parental Consents**
  - **Medical Consent Form**: all students must consent to a TB test, as this is required for anyone who will be working/volunteering/shadowing in a medical setting; and submission of a urine sample for a drug/nicotine screening.
    - An up-to-date immunization record must be submitted with application.
  - **Health Sciences Summer Camp Consent Form**: this is a form that you and your student will review together and sign. Your student agrees to adhere to the program standards and you agree to allow him/her to participate.
- **Student Personal Essay** (be sure essay includes student’s full name)
  - Each student is expected to provide an essay, including the following topics:
    - Describe your career interests and how you would benefit from attending the Health Sciences Summer Camp (200-250 words)
    - What would you consider your most important achievement and why? (max. 200 words)
    - Why should you be selected to attend the Health Sciences Summer Camp? (max. 100 words)

All students may only select one session. Students **MUST** attend all 5 days and for the entire time each day. Students & one parent/guardian **MUST** attend an orientation prior to the start of the program. All information on dates and times is noted on page 3 of the application packet.

Applications will close when 150 applications have been received. Only the first 150 applications will be reviewed. The application, essay, up-to-date immunization record and consents must be returned by scanning and emailing to: Precious.Nmesirionye@bswhealth.org. Completion of the application packet does not guarantee admission to the program, as spaces are limited. Lastly, all students will be notified of acceptance via EMAIL on **Monday, May 30th, 2023**.

Respectfully,

~Volunteer Services Department

NOTE: This form must be completed by a TEACHER, COUNSELOR, or a CHURCH LEADER. It must NOT be completed by a friend or family member.

McLane Children’s Health Sciences Summer Camp is designed to give high school students the opportunity to gain hands-on experience in a healthcare environment. The camp is offered to current Sophomores and Juniors who are enrolled in the Health Sciences curriculum in their school. In order to assess their ability to handle this unique experience as well as to properly place each camper, your support in providing a reference would be instrumental. Thank you very much for your support.
