LICENSURE

TX #37939	Licensed Psychologist	March 2019
PSYPACT #7746	Authority to Practice Interjurisdictional Telepsychology	June 2021

EDUCATION

Baylor University		Waco, TX
Psy.D. in Clinical Psychology		July 2012-December 2017
M.S. in Clinical Psychology		December 2014
Presidential Scholar		
Pepperdine University		Malibu, CA
B.A. in Psychology		August 2008-December 2011
Minor in Hispanic Studies		
NCAA Division 1 Cross Country and Track and Field athlete		
Regents' Scholar		

CLINICAL EXPERIENCE

Warriors Research Institute at Baylor Scott & White		Waco, TX
Clinical Training Director		February 2020-present
<ul style="list-style-type: none">• Provide evidence-based psychological treatment (Unified Protocol, Acceptance and Commitment Therapy, Cognitive Processing Therapy, Prolonged Exposure, Parent Skills Training) via telehealth and in-person to veterans, family members, and first responders• Provide clinical and administrative training, supervision, and consultation to doctoral- and masters-level practicum trainees and post-undergraduate research assistants• Complete mid- and end-of-year formal training evaluations; facilitate mutual feedback• Maintain effective partnerships with local universities (Baylor, TAMU, Tarleton State)• Lead monthly Clinical Training Committee Meeting to develop and enhance clinical training programs• Contribute to research with the aims of promoting wellness and increasing access to quality behavioral health care among veterans, first responders, and their families		
Baylor University		Waco, TX
Clinical Supervisor		August 2019-present
<ul style="list-style-type: none">• Provide weekly clinical supervision to doctoral-level trainees to develop foundational and functional competencies for working with children, young adults, and families		
Warriors Research Institute at Baylor Scott & White		Waco, TX
Postdoctoral Fellow		February 2018-February 2020
<ul style="list-style-type: none">• Provided evidence-based psychological treatment (e.g., UP, ACT, CPT) via telehealth and in-person to veterans, veteran family members, and first responders• Contributed to research related to behavioral health symptoms and care among veterans and first responders• Provided supervised supervision of doctoral- and masters-level practicum trainees and post-undergraduate research assistants• Led bi-weekly Science Meeting with WRI staff		

The Help Group

Sherman Oaks, CA

Pre-Doctoral Psychology Intern

August 2016-August 2017

- Provided individual play therapy, family therapy, and milieu support to preschool-aged children presenting with behavioral, emotional, and/or trauma-related concerns in an Intensive Day Treatment setting
- Provided weekly in-home and office-based individual and family psychotherapy for children and adolescents with a variety of diagnoses and presenting problems in an Outpatient setting
- Co-developed and co-implemented time-limited, creative arts-based group therapy treatment for teens within a residential mental health setting; created art therapy manual for clinicians
- Completed six comprehensive psychological assessments for child and adolescent clients to provide diagnostic clarification and treatment recommendations related to academic, emotional, behavioral, and/or social concerns
- Provided supervised supervision to two psychological trainees; oversaw two comprehensive psychological assessments and one child therapy case
- Co-created and co-led two-day training for school-based therapists on trauma-informed care within educational settings

Baylor Psychology Clinic

Waco, TX

Psychological Trainee

July 2012-June 2016

- Provided weekly individual play therapy and family therapy to children and adolescents presenting with a variety of behavioral, emotional, and trauma-related concerns
- Served as a research clinician for a study of a manualized play-based treatment for children with anxiety
- Completed nine comprehensive psychological assessments (six adults; three children)
- Provided supervised supervision of two junior colleagues/five child therapy cases
- Provided Spanish-English interpretation and consultation as needed

Baylor University Counseling Center

Waco, TX

Psychological Trainee

July 2014-June 2015

- Provided individual psychotherapy to university students
- Co-led addiction recovery group with Baylor's Addictive Behavior Specialist
- Completed weekly video review case conferences with supervisors and peers
- Conducted walk-in intakes to assess clients' service needs
- Provided walk-in and telephone-based crisis counseling services

Methodist Children's Home

Waco, TX

Psychological Trainee

July 2013-June 2014

- Provided individual psychotherapy to youth aged 12 to 18 years
- Completed three psychological assessments related to academic, social, and emotional functioning concerns

Talitha Koum Institute

Waco, TX

Psychological Trainee

July 2012-June 2013

- Administered and interpreted developmental screenings for children aged 9 months to 5 years
- Scored teacher-report behavioral assessments and presented data at weekly staff supervision meetings
- Provided weekly individual play therapy

ACADEMIC APPOINTMENTS

Baylor University, Affiliate Clinical Professor October 2020-present

HOSPITAL APPOINTMENTS

Baylor Scott & White Health, Psychiatry Affiliate February 2020-present

Baylor Scott & White Research Institute, Assistant Investigator March 2020-present

FUNDING

Project Director **07/01/2024 – 06/30/2025**

Texas Veterans Commission (TVC6) “Statewide Evidence-based Telehealth Treatment”

Total Costs: \$500,000

Project Director **07/01/2023 – 06/30/2024**

Texas Veterans Commission (TVC5) “Statewide Evidence-based Telehealth Treatment”

Total Costs: \$300,000

Principal Investigator **07/01/2022 – 06/30/2024**

BSWH Cardiovascular Research Review Committee (CVRRC) “Knowledge and Perceptions of Women

Veteran Cardiovascular Risk among Primary Care Providers (PERCH)”

Total Costs: \$38,588

Project Director **07/01/2022 – 06/30/2023**

Texas Veterans Commission (TVC4) “Statewide Evidence-based Telehealth Treatment”

Total Costs: \$500,000

Project Director **07/01/2021 – 06/30/2022**

Texas Veterans Commission (TVC3) “Statewide Evidence-based Telehealth Treatment”

Total Costs: \$400,000

Project Director **07/01/2020 – 06/30/2021**

Texas Veterans Commission (TVC2) “Statewide Evidence-based Telehealth Treatment”

Total Costs: \$400,000

OTHER RESEARCH EXPERIENCE

Assistant Investigator **July 2020-present**

Developing Emotional Regulation Skills for Peer Support Specialists (ER4ER)

Principal Investigator: Suzy Gulliver, Ph.D., TRC

Research Therapist **February 2018-present**

Project VetPaTHs, Project ACCESS, and Statewide Evidence-Based Telehealth Treatment (TVC1)

Principal Investigators: Suzy Gulliver, Ph.D. and Eric Meyer, Ph.D., WRI

Principal Investigator (Dissertation) **June 2015-October 2017**

Divorce-Related Parental Concerns and Outcomes from the Perspectives of Young Adult

Children of Divorced Parents

Supervisor: Keith Sanford, Ph.D., Baylor University

Research Assistant **November 2014-June 2015**

Parting Parents Concern Inventory

Principal Investigator: Keith Sanford, Ph.D., Baylor University

Principal Investigator **August 2012-November 2014**

Translation and Validation of a Spanish Version of the Couples’ Underlying Concerns Inventory

Supervisor: Keith Sanford, Ph.D., Baylor University

Research Assistant **October 2012-October 2014**

Fantasy-Exposure Life-Narrative Therapy for Anxious Children: Applying Psychodynamic Play

Therapy and Play Analysis to Evidence-Based Treatment

Principal Investigator: Jason Steadman, Psy.D.

Supervisor: Helen Benedict, Ph.D., Baylor University

Principal Investigator**August 2012-August 2013**

An Examination of Couples' Underlying Concerns in the United States and India

Supervisor: Keith Sanford, Ph.D., Baylor University**Principal Investigator (Undergraduate Thesis)****January-December 2011**

The Relationship between Success Modeling and Fear of Success in College Students

Supervisors: Elizabeth Krumrei, Ph.D.; Steven V. Rouse, Ph.D., Pepperdine University**Research Assistant****January-April 2011**

Sexuality Issues of Vietnamese Women

Principal Investigator: Khanh Bui, Ph.D., Pepperdine University**Research Assistant****August 2008-April 2009**

Children's Perceptions of Gender Inequality

Principal Investigator: Brenda Ellis, B.A.Supervisor: Cindy Miller-Perrin, Ph.D., Pepperdine University**EDITORIAL EXPERIENCE**

PROFESSIONAL MEMBERSHIPS

American Psychological Association	2012-present
Association for Behavioral and Cognitive Therapies	2014-present
STRONG STAR Provider Network – CPT for PTSD	2019-present
International Society for Traumatic Stress Studies	2020-present

SERVICE & LEADERSHIP**Our Community Our Future (Steering Committee Member) August 2020-present**

- Attend monthly meetings; bolster community-based initiatives to meet the health and wellness needs of children, youth, young adults, and families in Waco/McLennan County

WRI/TRC Clinical Training Committee (Chair) October 2019-present

- Lead monthly meetings to develop and evaluate WRI/TRC training programs, review trainee progress, support TRC clinical supervisors, and optimize training procedures

Baylor Psy.D. Student Governance Committee (Member) August 2012-June 2016

- Worked with a team of students and faculty to implement changes to the program and organize social functions; organized, administered, and presented results of Annual Student Surveys (2013-2015)

Baylor Psy.D. Student Mentoring Program (Mentor) June 2015-June 2016

- Provided communication and support to first-year Psy.D. student

Active Minds at Pepperdine (Co-President, Co-Founder) August-December 2011

- Initiated Pepperdine chapter of national club devoted to utilizing student voices to reduce stigma and raise awareness of mental health issues

OTHER TEACHING EXPERIENCE**Training Coordinator/CEU Instructor, BSWH/TAMU Dec 2022, May 2023, Dec 2023**

- Co-created and co-led biannual multidisciplinary trainings in partnership with the Telebehavioral Clinic at Texas A&M University

Lecturer, Baylor University August-December 2022

- Course: Theories of Counseling and Psychotherapy (PSY 3308)

CEU Instructor, The Help Group July 2017

- Co-created and co-led two-day training for school-based therapists on trauma-informed care within educational settings using the Neurosequential Model in Education (NME)

Guest Lecturer, Methodist Children's Home August 2013

- Co-led lecture and discussion about stress and stress management in Life Skills course

Teaching Assistant, Pepperdine University August-December 2010, August-December 2011

- Courses: Introductory Statistics, Social Psychology
- Instructor: Khanh Bui, Ph.D.
- Prepared lecture and coursework examples; updated coursework instructions for new versions of SPSS; graded assignments; tutored students; assisted with annual Psychology Program Review

Psychology Tutor, Pepperdine University August-December 2011

- Courses: Introductory Statistics, Physiological Psychology, Testing and Assessment, Child Clinical Psychology, Family Therapy
- Provided individual academic support to student-athletes in psychology courses
