

Which eating plans are the healthiest?

Studies show the healthiest eating plans are:

- Mediterranean
- DASH (Dietary Approaches to Stop High blood pressure)
- Plant-based

These eating plans have the following in common:

- Eat more vegetables, fruits and whole grains
- Eat less or no meat
- Eat and drink less sugar
- Eat and drink in moderation—not too much or too little

People who follow these eating plans often have:

- Lower weight
- Lower cholesterol
- Lower blood pressure

Still have questions or need help?

You may want to see a registered dietitian nutritionist (RDN) who can help you to choose the best eating plan to meet your goals. Most insurances cover nutrition visits with a registered dietitian nutritionist.
