

Are You Considering LIVER DONATION?

Thank you for your interest in becoming a living liver donor.

Our primary goal is to look after your health, safety and interests through the donation process.

The first step is for you to complete our confidential online health history questionnaire. Please type the following into your browser:

LivingDonorDallas.org

- Once you have completed this questionnaire, your information will be reviewed by a living donor coordinator. If you are a possible candidate, the coordinator will contact you to review your health history questionnaire and answer any questions you may have.
- Information about the donation process is provided to you through the online questionnaire. Thank you in advance for your generous offer to be a kidney donor.

If you have any questions, call **214.820.GIFT (4438)** and a living donor coordinator will confidentially answer your questions.

Benefits of Living Donor LIVER TRANSPLANT

- A live donor liver is the best quality liver.
- A living donor transplant will eliminate the long wait time on the national deceased donor waiting list.
- Living donation maximizes the chance for a recipient to receive a transplant before the recipient's condition worsens.
- The surgery can be timed for the optimal health of the recipient and for donor convenience.
