

Account Type	Expense Type	Medical Plan			Annual Deadline
		SEQA/EQA	PPO	HSA	
General-purpose FSA also available for those not enrolled in medical	Health care	X	X		Yes
Limited-purpose FSA	Health care*			X	Yes
Dependent care FSA	Dependent care	Not tied to a health plan			Yes
Health Savings Account	Health care			X	No

*The Limited-purpose FSA can be used for dental, vision and qualified expenses the medical plan doesn't cover until you meet your medical plan deductible. Once your deductible is met, you can use FSA funds for all eligible medical and prescription expenses, too.

HSA enrollees can be enrolled in both the limited-purpose FSA and the HSA.
