

# BRONZE ASSESSMENT

An annual benchmark evaluation of your health

Our Bronze Assessment has been designed to accommodate your schedule, whether you're the CEO of a Fortune 500® company or a busy household, and to provide an annual benchmark evaluation of your health.

This half-day experience includes a comprehensive medical examination, diagnostic laboratory testing with bone densitometry, vision and hearing screenings, and a physician consultation that will help provide a full spectrum wellness report of your overall well-being.

Our Bronze Assessment is an excellent choice for busy individuals seeking an annual health benchmark.
