Services Your Organization Provides:

II. Project Information

Name of project:

Location of project:

Time frame of project (start/end dates):

Goods Requested:

Succinct description of project:

Project Summary

1. What do you hope to accomplish in this project?
2. What need or opportunity is addressed through your initiative?

**FAITH IN ACTION INITIATIVES
BAYLOR SCOTT & WHITE HEALTH**

3. What are the expected measurable outcomes of this project? Provide quantitative and qualitative measures in addition to the spiritual element.

4. How many resources do you already have committed? From whom?

5. As you have thought through the planning and implementation of this project, what do you believe is most critical to the project's success? How are you going to accomplish your objectives?

7. Please submit the mission statement for your organization.

8. Additional information you would want BSWH's Faith in Action Initiatives to know about this project (such as, endorsement/support from country officials, as well as other NGO's or agencies dealing with this project. Also, mention unusual challenges posed by this project).

III. Budget

Please submit the full legal names of all directors and key executives of your organization.

IV. Donation

What would be the desired size of donation received from Faith in Action Initiatives (please note that Faith in Action will determine the size of donation to give your organization based on quantity of resources available)

10 boxes? Or more?

1 skid (pallet) Or more?

20 foot container?

40 foot container?

**FAITH IN ACTION INITIATIVES
BAYLOR SCOTT & WHITE HEALTH**
