Retirement Accounts (for terminations)

- Within three-to-four weeks after your last day of employment, you will receive a termination kit from Empower explaining your distribution options. You may contact an Empower representative at **844-722-2794** weekdays, 8 a.m. to 7 p.m. CST or log into **BSWHretirement.com**.
- You are always 100% vested in the contributions you made to your retirement plan. The employer matching dollars vest at 100% after three years of service.
- If you have an outstanding loan, the loan must be repaid in order to avoid a taxable distribution. Please contact Empower Retirement at 844-722-2794 to discuss your options.
- **Note:** Retirement is only impacted upon termination. All employees, regardless of status (full-time, part-time or PRN), are eligible to participate in our retirement plans.

401(k) Account Balance Information

- If your account balance is \$1,000 or less, the total vested balance will be distributed to you in a lump sum payment after your termination.
- If your account balance is more than \$1,000, but less than \$5,000, and you do not make a distribution election, your account will be automatically rolled over to an IRA with Millennium Trust Company (**877-682-4727**).
- Account balances greater than \$5,000 may remain with Empower, if desired.
- You may rollover your funds to an IRA or another qualified plan or take a lump sum distribution with applicable taxes and possible penalties.
